Respected Sir

Subject: Reflection on DKPPA and Gratitude

I undersign Principal Spoorthi Ayurveda Medical College and Dr S.V.Savadi Ayurvedic Hospital Gangavathi 583227, I am writing to express my heartfelt gratitude especially for recognition in the Guinness book of Records which is proud moment for everyone involved.

The campaign has not only been an immense success but also an inspiring and impactful initiative. Our meticulous planning, tireless hard work, and exceptional coordination ensured that every aspect of the campaign ran smoothly, from start to finish. The positive response and the tangible results we witnessed are a testament of our commitment to the cause of raising awareness about the importance of nature test.

Our college staff and students worked together to bring a diverse group of people, motivated volunteers, and collaborate with different organizations, visited rural areas, Jatras, Historical places, college in creating a campaign awareness. It is no easy feat to mobilize resources and manage such a large-scale initiative, but we handled it all with grace and efficiency.

I am particularly grateful for your patience, willingness to listen to ideas, and your knack for solving any challenges that came our way. Your leadership has been an inspiration to all of us involved, and I am certain that this campaign will leave a lasting impact on the community and the environment.

Once again, thank you for your remarkable contributions and for making this campaign a success. It was truly an honor to be part of such a meaningful project under your guidance. I look forward to collaborating with you on future initiatives.

Wishing you continued success in all your endeavors.

Ensure that services at the CHC are commensurate with universal best practices and are responsive and sensitive to the client's needs and expectation. **Role and Purpose of CHCs** - CHCs form the secondary tier of India's public health system (above Primary Health Centres/Health & Wellness Centres and below Sub-District/District Hospitals). They typically serve a population of about 80,000 (hilly/tribal/desert areas) to 1, 20,000 (plains) and act as: First Referral Units (FRUs) for cases referred from lower facilities or approaching them directly. Providers of specialist outpatient and inpatient care (Medicine, Surgery, Obstetrics & Gynaecology, Paediatrics, plus Dental and AYUSH in many cases). Centres offering essential preventive, promotive, curative, palliative, and rehabilitative services, with FRU CHCs additionally providing operative services and blood transfusion facilities. Block-level health administrative and public health units (especially those at block headquarters, developed as Block Public Health Units).
