

Atreya Ayurveda Pratisthana®
Spoorthi Ayurveda Medical College and
Dr S.V.Savadi Ayurvedic Medical College, Gangavathi
ISO 9001:2015 Recognized Institution
(Recognized By Govt. of Karnataka & N.C.I.S.M., New Delhi)
(Affiliated to Rajiv Gandhi University of Health Sciences, Bangalore)

1.1.1 The Institution ensures effective curriculum planning, delivery and evaluation through a well defined process as prescribed by the respective regulatory councils and the affiliating University

Spoorthi Ayurvedic Medical college & DR S V Savadi Ayurvedic medical hospital, Gangavathi is affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), Bangalore and National commission for Indian System of Medicine (NCISM). This institute adopts the curriculum provided by RGUHS & NCISM. And ensures quality framework starting from admission of the student to completion of Internship.

The institute prepares Annual Academic Calendar in advance in accordance to NCISM calendar this calendar specifies all academic activities to ensure curricular implementation and evaluation.

Annual event calendar is also added into Teachers personal Diary and Students Log book is maintained

All faculties maintains personal diary for effective academic planning, implementation and review of the curriculum.

Transitional curriculum accordance to NCISM programme is organized for newly admitted students along with parents.

Parents and Teachers Association

We have the involvement of various stakeholders in curriculum design. This includes faculty members, students, and employer; who provide valuable feedback and insights. Institution assesses these feedbacks to continuously improve and adapt their curriculum. The Periodic assessments are based on the topic covered in lecture as well as demonstration.

Formative assessments – Periodical Assessments like MCQ, summery writing, shloka recitation.

Summative assessment - The termed examination with theory paper writing and practical oral examination according to syllabus of related subjects are taken on time.

After evaluation for slow learners remedial classes will be planned and executed

Study tours / field visits / clinical postings are planned to enrich their subject understanding.

Sport and cultural activity- Different sport and cultural activity conducted in annual gathering to identify and improve the skills of students.

Basic Workshop on different topic like CPR, Yoga are conducted by college to improve the skills and to get knowledge regarding the topics for practice.

Overall college is not only academically rigorous but also responsive to the evolving needs of society, clinical practice and research. Our Institute is committed to curricular excellence through continuous teaching learning innovations , stakeholder feed back will be taken and same feed forwarded in the curriculum , and alignment with broader educational goals.

Sub: Implementation of Evaluation Method for periodic assessment

As per the above subject, all teaching faculty members are hereby informed that, for the Third Term of the First Professional BAMS, the Second Term of the Second Professional BAMS, and the First Term of the Third Professional BAMS, the Competency-Based Dynamic Evaluation (CBDE) method shall be implemented, in accordance with the NCISM syllabus, for the upcoming periodic assessment of students.

The purpose of this evaluation is to ensure the continuous monitoring and improvement of students' competencies and academic performance.

The prescribed list of evaluation methods is attached below for your reference. All teaching faculty members are requested to follow the prescribed evaluation methods while conducting the periodic assessment

Minutes of Meeting Academic Committee

A meeting of Academic Committee Spoorthi Ayurveda Medical College and Dr S.V.Savadi Ayurvedic Hospital Gangavathi was called Dated on 01/10/2026 at 4.00 pm for the discussion of agenda related to Academic Committee.

MINUTES

Quorum was achieved hence the agenda were proposed as following;

AGENDA OF MEETINGS:

1. Reforms in Periodical assessment
2. I term test for Agnivesha batch
3. II term test for Charaka batch

ACTION PLAN:

1. Diversified Evaluation Tools: Beyond traditional long answer questions, assessments integrate:
2. Objective Structured Clinical Examinations (OSCE) / Objective Structured Practical Examinations (OSPE)
3. Multiple Choice Questions (MCQs) and Problem-Based Short Answer Questions
4. Viva Voce, Activity Book / Logbook submissions, and Skill Lab Assessments
5. Term Test Structure: Each term includes:
6. Periodical Assessments (PA): Small class tests, assignments, or presentations held regularly.
7. Term Test: A formal written (Theory) and practical test conducted at the end of each term.
8. Calculation of Internal Assessment (IA):
9. Average of Periodical Assessments + Term Test score + Activity Book/Logbook marks convert to the final internal assessment score submitted to the University.
10. As per the Ncism calendar of events time table of term test has been scheduled.

ting ended with vote of thanks to the chair offered by member secretary R.H
