DATE: 19-10-2026

4.1.1: Institutional Infrastructure, Academic Departments, Laboratories and Research Facilities

Spoorthi Ayurveda Medical College & Dr. S. V. Savadi Ayurveda Hospital, Gangavathi – 583227, Karnataka, functioning under Atreya Ayurveda Pratisthana®, is committed to providing quality Ayurvedic medical education, clinical training, scientific research and comprehensive healthcare services. The institution possesses well-developed academic infrastructure, ICT-enabled teaching facilities, departmental laboratories, research facilities and clinical training resources to promote competency-based medical education.

1. Academic Departments

The institution has **14 academic departments**, equipped with the necessary teaching facilities, departmental resources and infrastructure to support undergraduate Ayurvedic medical education.

The 14 departments are:

1. **Samhita Siddhanta and Sanskrit**
2. **Rachana Sharira**
3. **Kriya Sharira**
4. **Dravyaguna Vigyana**
5. **Rasashastra and Bhaishajya Kalpana**
6. **Roga Nidana Evam Vikriti Vigyana**
7. **Swasthavritta and Yoga**
8. **Agada Tantra Evam Vidhi Vaidyaka**
9. **Prasuti Tantra Evam Stree Roga**
10. **Kaumarabhritya (Bala Roga)**
11. **Kayachikitsa**
12. **Panchakarma**
13. **Shalya Tantra**
14. **Shalakya Tantra**

Each department contributes to theoretical instruction, practical demonstrations, clinical exposure, academic activities and the development of professional competencies among students.

2. ICT-Enabled Lecture Halls

The institution has **04 ICT-enabled lecture halls**, designed to facilitate modern, interactive and competency-based teaching and learning. These lecture halls support digital presentations, multimedia teaching, audiovisual demonstrations, case-based discussions and technology-assisted academic activities. The integration of information and communication technology enhances student engagement, conceptual understanding and effective knowledge delivery.

3. Multipurpose Hall

The institution has **01 Multipurpose Hall (MTS Hall)** for conducting seminars, workshops, faculty development programmes, guest lectures, academic meetings, student presentations, conferences and extracurricular activities. The hall provides a suitable environment for collaborative learning, professional development and institutional academic events.

4. Manthana Central Research Laboratory

The institution has established **01 Manthana Central Research Laboratory** to promote scientific investigation, innovative research and evidence-based Ayurvedic practices. The laboratory supports research-oriented academic activities, interdisciplinary collaboration, experimental learning and the development of scientific aptitude among students and faculty members.

5. Departmental Laboratories

The institution maintains **well-equipped departmental laboratories** to facilitate practical training, demonstrations, experimental studies and skill development. These laboratories support the practical requirements of various academic departments and enable students to correlate theoretical knowledge with laboratory-based learning.

6. Clinical Trial Unit Centre

The institution has a **Clinical Trial Unit Centre** to encourage clinical research, systematic documentation, research methodology and evidence-based evaluation of Ayurvedic interventions. The centre supports research awareness, clinical investigation and the development of scientific approaches to traditional Ayurvedic healthcare.

7. Commitment to Quality Education

The institution continuously strives to strengthen academic excellence through modern teaching methodologies, practical exposure, laboratory facilities, clinical training and research-oriented learning.

With 14 academic departments, 04 ICT-enabled lecture halls, 01 MTS Hall, 01 Manthana Central Research Laboratory, departmental laboratories and a Clinical Trial Unit Centre,

the institution provides an integrated academic environment dedicated to quality Ayurvedic education, scientific research, clinical competency and holistic healthcare.
